Take me away

What is this feeling
inside me
bursting
out of
Control
Where
Can I
hide
Where
Can I
be

hmm... hmm... hmmm...

~~Take me away...~~

Take me away
↓ angel wings

Take me away

take me away
↓ starry strings

takeme away
↓ butterflies

takeme away

Take me away

to a Wide

New

World !

pure
we
begin

Shimmery

Shimmery

World

Spray of light

floating skies

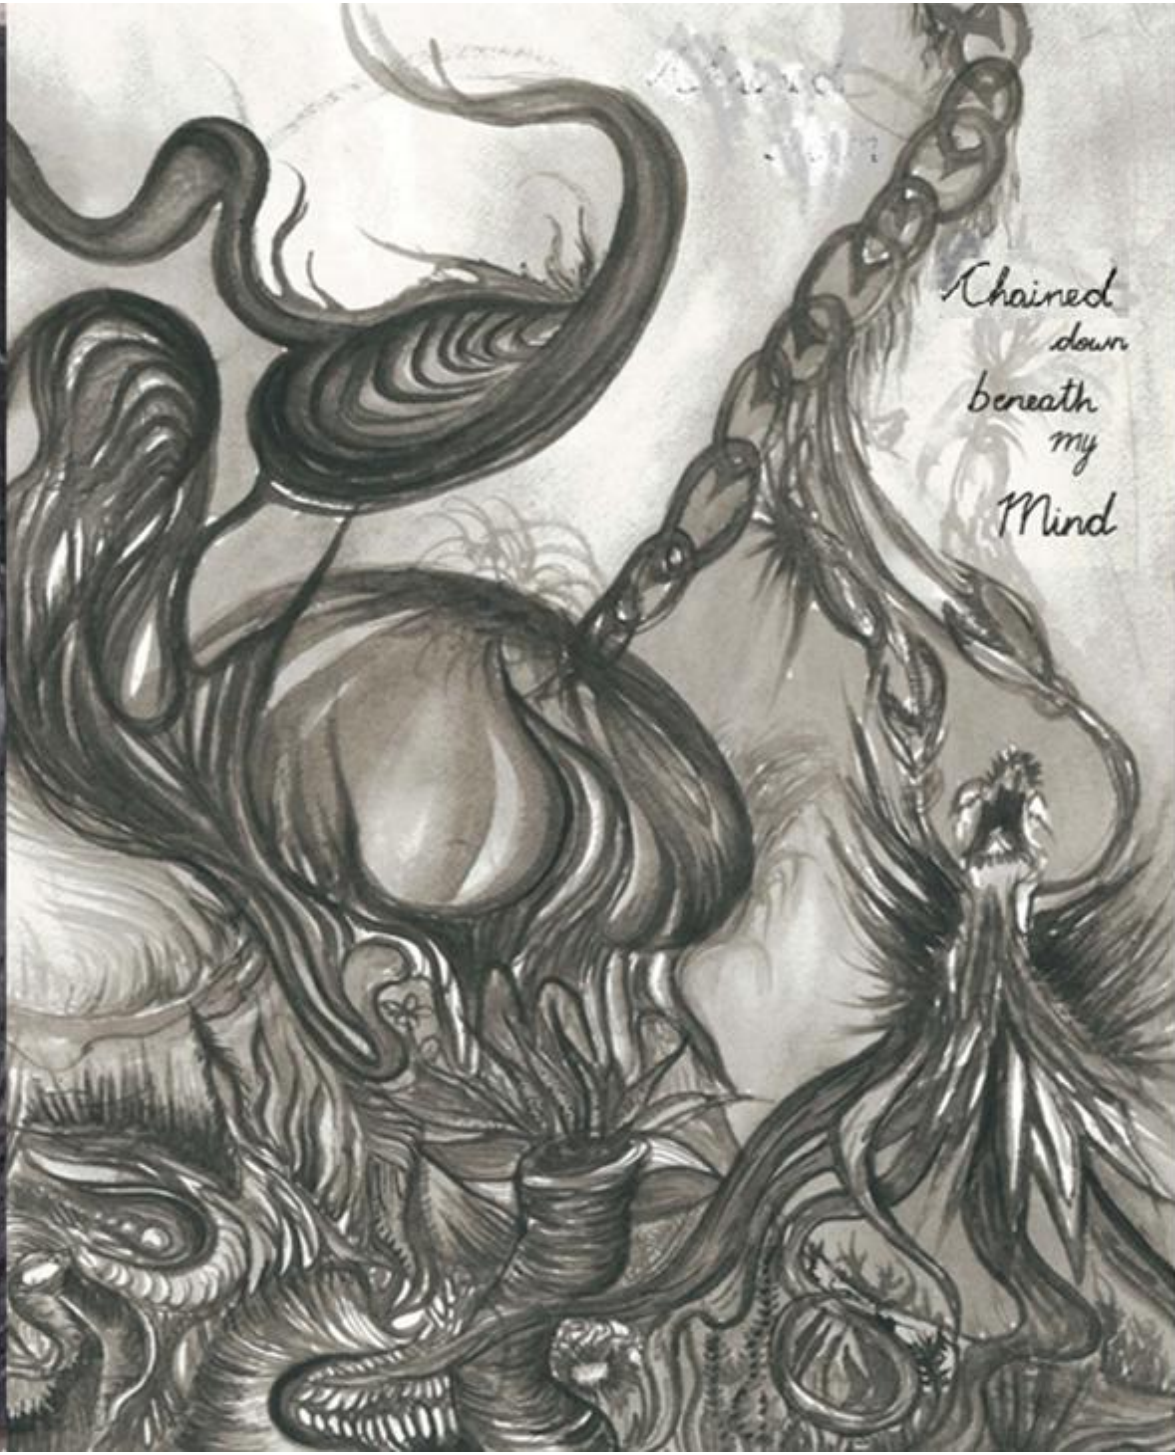
Whispering breeze

oh

Take me away

Sailing on the cliff

Tied down
down down
tied down
down
now



Chained
down
beneath
my
Mind

Through the dark spray waves I found mama's lap

Mama Earth
She held me in her armes....

full
of
Wonders

She
freed me
from me

freeee

To be "My Self"

this heart doesn't need Anything anything
& its Soul Feels everything!!
My heart needs to love Everything
My Soul Feels Everything
...everything

freeing me
from
me
